The Promise of Hope: A Tribute to Dom Hélder

Daniel S. Schipani and Anton Wessels, eds.

The Promise of Hope is a tribute to Dom Hélder written by scholars who have participated in the Dom Hélder Câmara Chair, at the Free University in Amsterdam, the Netherlands. This Festschrift thus reflects the international, ecumenical, and multidisciplinary import of Dom Hélder's contribution and the nature of the chair established in his honor as well.

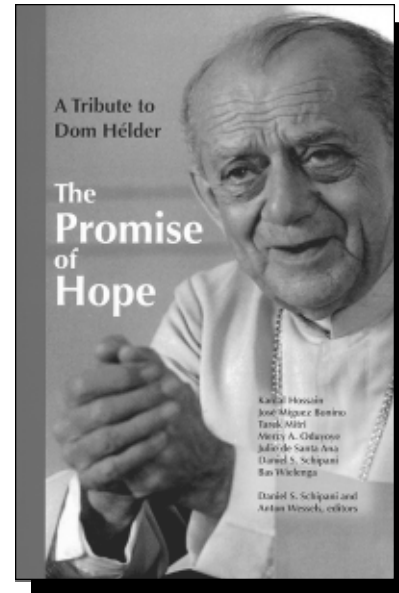

Readers are encouraged to ponder afresh Dom Hélder Câmara's vision and legacy in light of the realities of today's world and our human longing to realize the promise of hope for a better tomorrow.

"Hope without risk is not hope, which is believing in risky loving, trusting others in the dark . . . the blind leap letting God take over."

Dom Hélder Pessoa Câmara (1909–1999)
